

Extra Credit Options

1 minute of effort = approximately 1 point

Can earn up to 200 points

Extra Credit:

- It will be helpful to you and me if you label extra credit with EC and the minutes you spent.
 - For example..... EC: 60 Minutes
- **Student's Art Work:** Keep content & artwork appropriate for High School. If it requires censorship or censorship is questionable, don't create it.
- Keep ideas original and creative; don't copyright
- You can **only** do these listed options for extra credit!
 - However, If you would like to do something else for extra credit, come talk to me before you draw it and I will add it to this list if I approve.

Go to an art museum, or an art Gallery

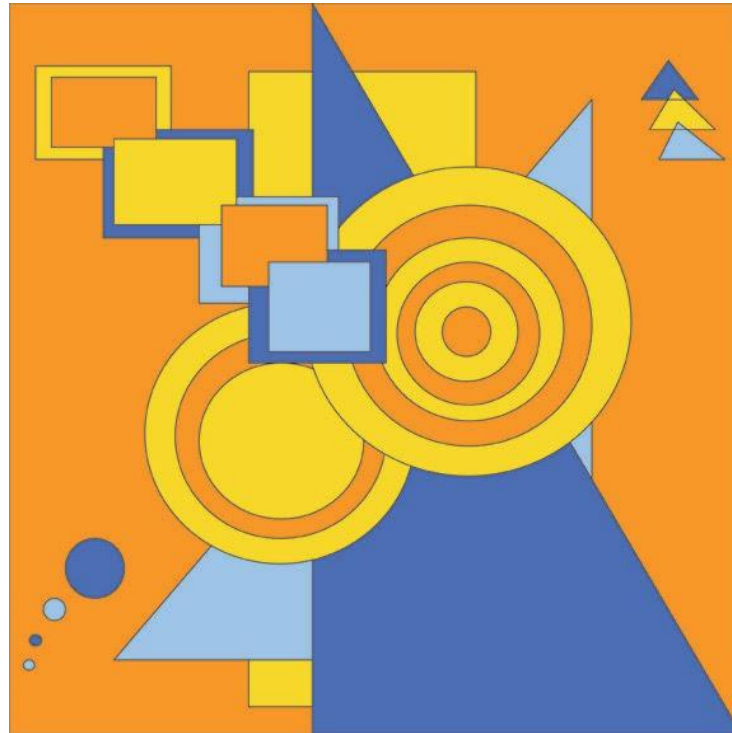

- Bring me the ticket/pamphlet
- Fill out the critique questionnaire
- Staple together & turn in the shelf
- Worth 100 points (50 for going + 50 for questionnaire)
